

AUCILLA CHRISTIAN ACADEMY
Summer Reading Program for...
Students entering 3rd Grade

Parents,
 We are asking for your help in instilling a love of reading in your child! This is strictly a voluntary program, but we urge you to encourage your child to read and ask that you talk to your child about what he/she has read.

We have included a suggested reading list but you may choose to add to it. Other books chosen must be age appropriate and skill appropriate books. Enlist the help of your local librarian or a favorite book store for ideas if you need further help!

To receive recognition and a reward, your child will need to complete five books. Please record the title and author as each is read. This sheet should be returned to the 3rd grade teacher on Tuesday, August 10 for credit. (no exceptions) In addition, or instead of, your child may write a report (see attached sheet) for TWO of the books read and if acceptable, will receive two extra points added to their grade at the end of the first six weeks grading period. These reports are due at the same time as this sheet.

We encourage everyone to participate in this program as we strive to teach our children the importance of reading now and in the future!
