

AUCILLA CHRISTIAN ACADEMY

Summer Reading Program for... Students entering K5

Parents,

We are asking for your help in instilling a love of reading in your child! This is strictly a voluntary program, but we urge you to take the time to read to or with your child at least twice a week this summer. Please include a variety of stories, including fiction and nonfiction. These could include folk tales, fairy tales, biographies, animal stories, science books - the list is endless! Enlist the help of your local librarian or a favorite book store for ideas if you need help! To receive recognition and a reward, your child will need to complete twenty books. Please record the title and author as you read. This sheet should be returned to the K5 teacher on Tuesday, August 10 for credit. (no exceptions)

We encourage everyone to participate in this program as we strive to teach our children the importance of reading now and in the future!
