2018-19 FEES

REGISTRATION: There is an enrollment fee of \$250 per student, non-refundable, due with the application. For re-enrollment, please refer to the re-enrollment fee schedule.

TUITION: Statements will be set up on 12 monthly payments due the 1st of each month, starting July 1. A late charge will be assessed on each monthly payment received after the 15th of the month. A \$15 charge is assessed for returned checks.

When a child is enrolled and accepted, the parent assumes the responsibility to pay a minimum of a semester's tuition. Once a child starts the second semester, then the full year's tuition is required. Parents of re-enrolled students will be responsible for a minimum of a semester's tuition if the student is withdrawn, unless the school is notified by July 1 of the current school year. If an account becomes 60 days past due, the parent will be notified to bring the account current or a child must be withdrawn. Report cards and transcripts are held on past due accounts. A complete explanation may be obtained from the Business Manager.
