Upcoming Events and Current Business

Fall Festival

- Total profit from the Fall Festival was \$5,148.61
- The two biggest money makers were the cow patty bingo and the cake walk. We had a detailed discussion of profit/expenses and how to account for money contributed from other sources to fund the baskets.
- Next year we need to communicate that booth coordinators are responsible for decorating their booth. Also, the angry birds booth did not make much money, but it was down the hill and out of view for many. We discussed providing a map for games/booths and better signage next year.
- The petting zoo received positive feedback and we discussed taking pictures at the petting zoo next year.

Friday Treats

- Additional volunteers are needed to fill the available dates through the rest of the year. Please contact Jessica McCormick to sign up.

Be Drug Free Week

- Be Drug Free Week is November 14-18.
- Monday: team day-favorite jersey "Team up against drugs/bullies"
- Tuesday: Peace Out-Peace signs, tye dye
- Wednesday: Hero Day- red/white/blue "Be a Hero! Say no to drugs/bullying"
- Thursday: Warrior Day-School spirit "Be a Warrior and say no to drugs/bullies"
- Friday: camo day "You can't hide great character"

The week will include DVD's, writing assignments, class signs, and snow cones. Volunteers are needed to decorate the school and hand out materials each day of this week.

Treasurer Report

- PTO has a balance of \$17,656.49. Approximately \$12,000 is not committed for our usual annual expenditures.

Upcoming events

Meeting Minutes

- Father Daughter dance is February 18
- Mother Son day in the spring
- Spring fundraiser

Get Connected

- We need to be sure to include parents who signed up to volunteer early in the year. We discussed that several parents have signed up at the beginning of the year to help with various activities, but have not been asked to help.

PTO donation requested

- Curtains for gym for dances/graduation that hang from wooden/rods are proposed. Katrina Walton has asked for \$100 from PTO to help with the costs. We voted to give \$100 for this effort.

Future Needs

- Coolers are out of season until the Spring at Costco
- Concrete drive for parent pick up
- Several picnic tables have been lost due to wood rot. This is concerning, as they are not that old. We discussed purchasing tables made of different material and Jodi Mills offered to see what is available to replace the lost tables.
- Upcoming in-school field trips: Panacea, planetarium, and Mag Lab
