

Dear Senior Parents,

We are using Stan Wilkinson, Inc. Photographers (SWI) as our school photographers for the coming year. There are two ways to make your senior's appointment for their senior portraits by phone at 850-425-1010 or online at swipfoto.com. It works out best if these photo appointments can be completed by September 21st. We have used them in the past and expect that they will provide you with excellent products and service.

Please contact us if you have any questions. Have a great rest of the summer!
