

AUCILLA CHRISTIAN ACADEMY

Summer Reading for...

Students entering K4, K5, 1st Grades

For students entering K4, K5, or 1st grade, we ask parents to read 20 books to their children.

Please include a variety of books that your child enjoys and finds interesting. While most of these will most likely be fiction, try to include a few nonfiction selections as well. Children this age enjoy learning and reading about animals, so these might be good choices for nonfiction selections.

Please list each book and author in the space provided.

This program is voluntary, but we urge all to participate and encourage you to make reading a part of your child's daily activities! Students who participate will receive recognition and a reward in the first chapel of the new school year.

This completed sheet is due Friday, August 9th. None are accepted after this date.
