AUCILLA CHRISTIAN ACADEMY

Summer Reading for…

Students entering 2nd Grade

Students are asked to read two books – one fiction, the other a biography (nonfiction). Both books require a written report. Students who meet these requirements will receive 20 extra points (added to a reading test during the first nine week grading period), as well as recognition and a reward at the first chapel of the new school year.

A suggested reading list is given, but you may use other books as long as they are age and grade appropriate.

This program is voluntary, but we urge all to participate and encourage you to make reading a part of your child's daily activities!

The two written reports are due on Friday, August 7th. None are accepted after this date.
