

Dear Senior Parents,

We are excited to announce that Leonard's Photography will be our school photographers for the coming school year. Senior formals (yearbook picture) will be taken during the school day on Tuesday, September 1st. We encourage all seniors to be present on this day. There will also be a mobile studio on campus September 1st for casual portraits with appointment times available from 3-6pm. Students who wish to have their casual portraits may schedule with Mrs. Melissa in the Aucilla Christian front office. Brochures and pricing details will be sent home with seniors when they return to campus in August.

Please contact us if you have any questions. Have a great rest of the summer!

YEARBOOK FORMAL

Ladies

We will provide the black drape! It does come off the shoulder so bring either a strapless top or a tank top with straps that can easily be slipped down. We also provide pearls, but feel free to bring your own jewelry!

Gents

We will provide the tux. You need to have a collar-less white t-shirt for your formal.
