WHERE CHRIST IS FIRST

Dear Parents,

It is just about time for school to start and once again we must turn our attention to getting our children properly immunized for school. Florida law states that all children entering school must have the following immunizations:

ALL students must be immunized; we do not accept the Religious Exemption.

IMMUNIZATION REQUIREMENTS FOR 2021-2022:

IMMUNIZATION	# NEEDED	GRADES REQUIRED
Varicella (or chicken pox)	1	PK
Varicella (or chicken pox)	2	K
DTaP	5	PK - 12th
Td/Tdap Booster (tetanus)	1	7th - 12th
Polio	4	PK - 12th
MMR	2	PK - 12th
Hepatitis B	3	PK - 12th

All students entering into the 7th grade must have the Td/Tdap Booster.

Florida law also states that any child not properly immunized or at least in the process of being properly immunized (i.e.: at least first dose of HepB) may **NOT** attend school. **It is also required that the school have a physical form, a completed *Florida DH 680* immunization form (your doctor or the health department will have this form) and a copy of your child's birth certificate and (social security number-requested, not required-) on file at the start of the school year.**
