

## Aucilla Christian Academy

### Summer Reading for:

### Students entering 4<sup>th</sup> and 5<sup>th</sup> grades

Students are **required** to read one summer reading book and do a report on the book. Please find the report sheets on the ACA website. **If the report isn't turned in before Tuesday, August 9<sup>th</sup> the student will receive a zero on this assignment.**

For an additional 10 points, on the first reading test, students may read an additional book and write a report on it.

A suggested reading list is given, but you may use other books as long as they are age and grade appropriate.

Reading is so important to keep up during the summer months. Try and make time every day for at least 20 minutes of reading!
