

AUCILLA CHRISTIAN ACADEMY
SUMMER REQUIRED READING PROGRAM

Students entering 6th – 12th Grade

Students should read the required novel(s) on this list for the grade they are entering. AP Language & Composition and AP Literature & Composition students should read the required novels on the list for their class.

During the first and second weeks of school students will take either a written test or write an essay as directed by their English teacher on the required reading.

******It is suggested that students wait until later in the summer to read their novel(s) so that the student can easily recall the needed information when school starts in August.******

We urge you to encourage your child to make reading a part of their daily activities. After all the more you read the more you know!!!
