

Aucilla Christian Academy

Summer Reading for:

Students entering 1st Grade

Students entering 1st grade are **required** to read 20 books or have parents read 20 books to them. Students will receive a grade on their Summer reading.

Please include a variety of books that your child enjoys and finds interesting. While most of these will be fiction, try to include a few nonfiction selections as well. Children this age enjoy learning and reading about animals, so these might be good choices for nonfiction selections.

Please list each book and author in the space provided.

This completed sheet is due back to your child's teacher by Tuesday, August 9th.
