Summer Reading for:

## Students entering K4 and K5

Students entering these grades, we **require** parents to read 20 books to their children.

Please include a variety of books that your child enjoys and finds interesting. While most of these will be fiction, try to include a few nonfiction selections as well. Children this age enjoy learning and reading about animals, so these might be good choices for nonfiction selections.

Please list each book and author in the space provided.

This completed sheet is due back to your child's teacher by Tuesday, August 9<sup>th</sup>.
